Anteo Group's VP of Consulting to Participate in HR Technology Trends Panel Discussion

Anteo Group's ERP Consulting Practice announces the selection of Rob Prinzo, VP of Consulting, to participate in The International Association for Human Resource Information Management (IHRIM) 1st Quarter Meeting "HR Technology Trends Discussion" on March 15, 2007 at the UPS Corporate Office.

The first quarter presentation will take a look at HR Technology Trends and feature a panel discussion of Prinzo and other HRIS executives. Prinzo has extensive experience implementing Finance and Human Resource systems for Fortune 500 Companies and State Government. His specialty is large-scale ERP transformation initiatives. He is an active member of the Atlanta technology community and a board member of the IHRIM Atlanta Chapter/SE.

"I am honored and excited to participate with such a distinguished group of HRIS professionals," said Prinzo. "The Atlanta/SE IHRIM Chapter always has informative programs and strong participation from local member companies."
